New Referral Program

As always, we welcome new clients with open arms, if someone you know has a furry friend in need, refer them to us, we will be providing FREE 2nd opinion examinations all this year. For example, if you have a family member, friend or neighbor who is not satisfied with the diagnosis or outcome of their visit to another Animal Hospital, Dr. Carvajal will see if he can help in any way by giving a complimentary exam. You will also then become one of our referral friends and will also receive a \$25 discount on your next visit to Amazon Animal Hospital.

We would also like to thank you all for the continued referrals you give to your family members, friends and neighbors. It is your trust and loyalty that has let us serve this community for over 20 years. When you refer someone to us, that client will be asked how they found out about us, when they mention your name, we will be giving you a \$25 gift certificate good on your next appointment.

Your trust and loyalty will never go by unnoticed.

Thank you all for 25 wonderful years.
